Notice of New Natural Gas Construction Project

Dear Ms. Boyd:

Dominion Energy South Carolina, Inc. ("DESC" or "Company") is required to notify the Public Service Commission of South Carolina ("Commission") and the South Carolina Office of Regulatory Staff ("ORS") of natural gas construction projects with costs of \$500,000 or more. *See* S.C. Code Ann. Reg. 103-412.2.7(A). In compliance with the regulation, this letter serves as notification to the Commission that DESC plans to install approximately 12,300 feet of 8-inch plastic natural gas pipeline to support growth in the Carolina Forest area in Myrtle Beach, South Carolina. This project will serve multiple residential developments located near the intersection of River Oaks Drive and Carolina Forest Boulevard in Horry County.

DESC anticipates that construction will begin in August 2020 and that the total cost of this construction project will exceed \$500,000.

By copy of this letter, we are also notifying the ORS of the Company's planned construction project.

If you have any questions, please do not hesitate to contact me.

Very truly yours,
